Dear Business Owner:

Would you like to reach 700 families in the greater Woodley Park/Adams Morgan area? We, the parent-teacher organization of the Oyster-Adams Bilingual School, are publishing our annual student directory. This year we are creating a "YELLOW PAGES" section of businesses and services of interest to our families.

SECTIONS: We will divide advertisers into general sections:

- Camps/After-School Programs/ Instruction
- Grocery/Convenience/Drug Stores
- Hotels
- Office Services (printing, mailing, supplies)
- Professional Services (e.g., lawyers, accountants, doctors, real estate agents)
- Restaurants (including take-out & delivery)
- Salons/Spas (e.g. hair, nails)
- Stores (e.g., clothing, furniture)

CONTENT: We have attached a draft of how we propose our business section to appear. Each entry will contain some or all of the following:

- Your business name
- Your business address
- Your website
- Contact name
- Phone number(s)
- Short description of services offered and/or hours of operation

PRICING: \$50 for the first 10 lines.

We also have the entire inside front or back cover at a premium. Please contact Phoebe Schlanger to check on availability and price. Her contact information is below.

DEADLINE: We will need any submissions *by September 25, 2009* because we hope to publish and distribute the directory to our families by October 1, 2009.

TO ORDER: Please complete the entry form attached and send it along with a check *payable to Oyster-Adams Community Council* to:

OCC Directory – Phoebe Schlanger, Coordinator
Oyster-Adams Bilingual School

We may also be able to arrange pick up from your business. Please also contact Phoebe Schlanger, the parent volunteer in charge of the directory ([OADirectory "at" gmail.com](mailto:OADirectory@gmail.com)) to let her know you are sending an entry.

ABOUT US: Our group, the Oyster-Adams Community Council (OCC), is a non-profit 501(c)(3) organization whose mission is to enrich the experience of students attending our school beyond what is provided by DCPS (such as funding specialty teachers, school supplies, field trips, etc.). There are currently more than 650 children enrolled in grades Pre-K through 8th housed at two campuses. There are approximately 100 teachers and administrators.

CONTACT: For questions, please email Phoebe Schlanger, the parent volunteer in charge of the 2009-2010 directory at: [OADirectory "at" gmail.com](mailto:OADirectory@gmail.com).

Thank you.

Sincerely,

Jackie Alvarado, OCC Chair
